

Warwickshire Vision Support

Home Visitor Service

*"Helping
me to
maintain my
independence"*

The Home Visitor Service

For many people living with sight loss, the greatest challenges are often those associated with isolation and the problems of not being able to access information.

The Home Visitor Service helps you to maintain your independence and to continue to live in your home.

We provide a reservoir of carefully selected and vetted volunteers who come to your home and help you read your mail and, where appropriate, help you to respond.

Our Volunteers not only help you to access your mail, but will also read newspapers, magazines or books, monitor the "use by" dates on your food and help you with organising your shopping.

Perhaps of most importance, you will have a friendly cup of tea and the opportunity to have a chat.

Why not give it a try?

Your local charity for local people

About Warwickshire Vision Support

Serving more than 3,200 visually impaired people with the support of over 300 volunteers, Warwickshire Vision Support provides information and advice services, social clubs and Vision Support Centres across the whole county.

The Home Visitor Service

For many people living with sight loss, the greatest challenges are often those associated with isolation and the problems of not being able to access information.

The Home Visitor Service helps you to maintain your independence and to continue to live in your home.

We provide a reservoir of carefully selected and vetted volunteers who come to your home and help you read your mail and, where appropriate, help you to respond.

Our Volunteers not only help you to access your mail, but will also read newspapers, magazines or books or help with monitoring the “use by” dates on food in the fridge and organising your groceries.

Perhaps of most importance, is the opportunity to share a friendly cup of tea and a chat.

How much does it cost?

The Home Visitor Service is currently provided free of charge to Subscribing Members of Warwickshire Vision Support. Our team of committed volunteers donate their time and energy free of charge whilst the management and logistics of the scheme is supported with the help of donations.

If you would like more information about joining the Home Visitor Service, then please call us on 01926 411331 or email us at enquiries@warwickshire.vision
