Vision Support Centres

*"Information and
support when I want it."*

Your local charity for local people

About Warwickshire Vision Support

Serving more than 3,200 visually impaired people with the support of almost 300 volunteers, Warwickshire Vision Support provides information and advice services, social clubs and Vision Support Centres across the whole county.

What is a Vision Support Centre?

Our Vision Support Centres were established to meet your need for local access to equipment and information in your community.

Each Vision Support Centre provides the following:

- Advice and Information
- A chance to view and try equipment for daily living including specialist equipment for your home
- Regular Magnifier Sessions to help you identify the most appropriate magnifier for your condition.
- Information on our services for Warwickshire residents and advice about what services are available for Coventry residents
- Regular presentations and exhibitions
- Introduction to our IT programme
- A place to meet other visually impaired people
- Light refreshments are available

"The one-stop shop for all my sight needs."

How much does it cost?

There is no entry charge, although we make a small charge for refreshments. For more information call 01926 411331 or email us at enquiries@warwickshire.vision
