## *Pop-up Vision Support Centres*

To address the challenges of public transport access across North Warwickshire, we have replaced the fortnightly Atherstone Vision Support Centre with regular 'pop-up' Vision Support Centres at the larger towns across the district. Open to the public, why not visit us for:

- Advice and support
- Information about, and referrals to our services
- Information about other local services
- Demonstration equipment to promote independence and safety
- IT training
- Occasional speakers, events and exhibitions
- Access to our Super Saver service to help you switch utilities and save money

For details of time and venue for your next local pop-up call 01926 411331

## *Clubs*

Our Clubs offer entertainment, refreshments and companionship. Transport is provided to and from the venue at a subsidised rate. We have clubs in:

- Atherstone Club: Wednesday mornings
- Coleshill Club: Monday afternoons

## *IT4U*

We provide one-to-one IT training to meet your personal learning goals:

- Training available for smart phones, tablets and laptops
- A wide range of demonstration equipment so you can 'try before you buy'
- Talented volunteers to support your learning
- Taster sessions are available at select pop-up Vision Support Centres.
- Training sessions are by appointment only. Call 01926 411331 for details
